**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to get my internet access from AT+T, but I recently switched to a local provider, Sonic. It gives me better service and I get better maintenance contact when I need it. I don't like the idea of the big companies muscling in on me. The free market should remain free -- and that means that I should be able to remain connected via Sonic without any interference from the big guys.

I am a retiree, and having a service this close and this dependable is something I want to keep.

Thanks.
